Allowable Subject Matter

1. Claims 1-5, 8-12, and 15-19 are allowed.
2. The following is an examiner's statement of reasons for allowance: In the response filed 10/9/2003, applicant canceled claims 6 and 7 (7 was objected to in the previous office action) and incorporated their limitations into the instant claim 1, canceled claims 13 and 14 (14 was objected to in the previous office action) and incorporated their limitations into the instant claim 8, and added new claims 15-19 (15 includes all of the limitations of the instant claim 1). In light of the amendments, the rejections made in the previous office action have been dropped. The examiner performed an updated search of the prior art of record, but no new relevant art was found. Therefore, the instant claims 1-5, 8-12, and 15-19 are now allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
